

EPWORTH UMC

MISSIONS REPORT JAN, 20TH, 2008

The Missions work area wishes to host a Craft Fair on November 15. This would be open to the public. Brightstone and Henderson Settlement would be invited to come and sell their products. Other organizations within Epworth could also use this day to expose their fund raising products to the community (For example Lamplighter Pecan sales, etc.). Each organization would keep all of their proceeds.
